ST. THOMAS, VI –

GERS ANNOUNCES ST. THOMAS OFFICE CLOSURE

GERS Administrator, Austin Nibbs, wishes to advise members and the public of the closure of the St. Thomas office today, August 29th. This is due to the malfunctioning of the air condition unit which services the second and third floors of the GERS building. With the passing of Hurricane Dorian, the A/C units on the roof of the building were impacted. Technicians are currently on hand to make an assessment.

We expect the St. Thomas office to reopen on Friday August 30th. Should you require immediate assistance, please call our St. Croix office at 340-718-5480.

We apologize for any inconvenience and thank you for your understanding.
