OF THE VIRGIN ISLANDS

Survive Tough
Economic Times!

Prepare for a Successful
Retirement!

Establish a
Savings Plan!

Financial Literacy Workshops

Objective: to empower participants to take a more active role in developing a financial life-plan for themselves by means of education. Workshops will provide an opportunity to ask questions in an environment that will encourage the exchange and sharing of information.

Topics that will be covered:

- What is Financial Planning?
- Where do you stand today?
- The impact of life events on your finances
- Investment Options
- Developing an Action Plan
