A Message from the Government Employees' Retirement System

We decry the recent murder on an adjacent property not owned by the GERS that was initially and erroneously reported as having occurred in the Havensight Mall parking lot.

As proud owner/operator of the Havensight Mall, GERS prides itself on the safety and security of its premises. Employing a large security force and an extensive network of cameras, the GERS works in conjunction with its tenants to provide the safest environment possible.

The Havensight Mall and its tenants continue to "Hold out a welcome to one and all" in an atmosphere of safety, comfort, and security.
