GERS Office Closure Update

St. Thomas V.I.-

The Government Employees Retirement System advises its members and the general public that the GERS Offices will remain closed until further notice in compliance with the territory wide stay-at-home order.

Our primary concern remains the safety and well-being of our staff and members. During this temporary closure we encourage members to use the Member Self Service feature on our website at www.usvigers.com available 24/7. If you need assistance with your account please send an email to helpdesk@usvigers.com with your full name, V3 user name, date of birth, last four digits of your social security number and a contact number for verification.

Thank you for your understanding and support during these challenging times. If you have any questions or concerns please feel free to contact us at customercare@usvigers.com.
