**REVISED: DELAY IN GERS ANNUITY CHECKS, DIRECT DEPOSIT NOT AFFECTED**

The Government Employees Retirement System would like to advise its retirees that there will be a delay in payment for those retirees receiving their annuity payment via check. Retirees who receive their payment via ACH/Direct Deposit should not experience a delay.

The delay is due to technical difficulties currently being experienced with the check processing system, which will also prevent any retiree from accessing their check stubs online via [www.usvigiers.com](http://www.usvigiers.com).

**Please note that retirees who requested changes to become effective March 30, 2017, will not see those changes until pay date April 12, 2017.**

The System appreciates your understanding as we work diligently to get this matter rectified as soon as possible. We apologize for any inconvenience caused by the delay. If you have any questions, please call (340) 776-7703.
